

Pay If You Can

EARTH is a *'pay if you can'* pack.

Download it for free and use it for as long as you like with no restrictions but if you can afford to support it is greatly appreciated and goes a long way to helping the development of future packs.

Head to elphnt.io/store/earth to buy the pack or grab any other Live Pack.

As a thanks for your interest in what I do, here's a code to take **25% off anything** in the store:

Happy music making,
