

# Pay If You Can

INSPIR is a *'pay if you can'* pack.

Download it for free and use it for as long as you like with no restrictions but if you can afford to support it is greatly appreciated and goes a long way to helping the development of future packs.

Head to [elphnt.io/store/inspir](https://elphnt.io/store/inspir) to buy the pack or grab any other Live Pack.

As a thanks for your interest in what I do, here's a code to take **25% off anything** in the store:
